Dear Parents/Carers

Re: Year 6 Social Media

It has been brought to our attention that, unfortunately, some children have been sharing negative comments on social media.

At Peartree Spring Primary School, we recognise that social media can be a valuable way to communicate and stay connected. However, we would like to remind all parents and carers of the importance of ensuring that children use these platforms safely, responsibly and respectfully.

Our Social Media Policy covers a wide range of platforms, including WhatsApp, Snapchat, TikTok, Instagram and other online messaging services.

We would like to remind parents and carers that they are responsible for monitoring their children's online activity, including messages, group chats and interactions with others. We encourage all families to have regular conversations with their children about appropriate online behaviour, the importance of treating others with kindness and the impact that negative comments can have.

We expect all children to demonstrate the same respect and kindness online as they would in school. Negative comments, inappropriate messages and disrespectful behaviour towards others are not acceptable.

A copy of our Social Media Policy can be found on our school website:

https://peartreespringjm.herts.sch.uk/documents/

If you have any concerns regarding online interactions involving your child or other pupils, please contact your child's class teacher directly using their school email address.

Thank you for your continued support in helping us maintain a safe, respectful and positive environment for all our children, both in school and online.

Yours sincerely

S McConnell

Miss S McConnell
Year Group Leader.
