# What is the Macmillan Coffee Morning?

Macmillan's Coffee Morning is Macmillan's biggest fundraising event to support people living with cancer.

People all over the UK host their own Coffee Morning and donations raised on the day are made to Macmillan. The official date is Friday 24th September but it can be held at any time. From a group in the garden, sharing a coffee over a screen or a takeaway cake and cuppa, people can hold one however they like.

In 2020, Macmillan raised over £10 million and hope to top that this year.

# *How did the coffee morning begin?*

*The first ever Coffee Morning happened way back in 1990. It was a rather small affair with a simple idea: guests would gather over coffee and donate the cost of their cuppa to Macmillan in the process.*

*It was so effective, Macmillan did it again the next year – only this time nationally. Since then, Coffee Morning has raised over £290 million for Macmillan.*

On Friday morning we are going to host our own Macmillan Coffee morning.

We have invited all your grown ups to come and join us for a warm drink and some lovely cakes.

We need some donations of cakes for us to sell on the morning.

You can do some baking and bring in some you have made at home.

If baking isn't for you, bring in some shop bought cakes. It really doesn't matter which you do.

This is our school,  
Let peace dwell here,  
Let the rooms be full of contentment.

Let love abide here,  
Love of one another,

Love of mankind,  
Love of life itself.

Let us remember

That as many hands build a house,  
So many hearts make a school  
Help us to learn, play and share together.

We hope our school will be place of great discovery, adventure and creativity.  
May it be a place where we love to learn and where we learn to love,  
A place where everyone is respected and all are deeply valued.
