

Curriculum Webinars (via Livestorm) for Parents

As you are already aware, due to COVID-19 and current government guidelines WE ARE UNABLE to invite parents into school for our usual Curriculum Evening. However, we would like to invite Year 1 to Year 6 parents to join our Curriculum Webinars via Livestorm, which will give you lots of helpful information and strategies to help your child learn.

You will be sent an email from Livestorm inviting you to register. This will enable you to join the webinars. Once you have registered you will also receive a recording of the webinars (via email), so you can view it at a later date if you cannot join us at the specified dates/times (see below). Please DO NOT share any recordings. Please ensure you have an up-to-date email address registered with the school office.
