Dear Parents/Carer(s)

Re: Schoolgrid – ordering and paying for school meals

We still have a number of parents who have not signed up to SchoolGrid. This system allows parents to order/pre-order school meals, view menus and make payments. Pre-ordering is done by the parent and child at home or this can be done on the classroom interactive whiteboard each day. **Parents can pre-order up to 8.50am each morning and also in advance, eg weekly, monthly or termly.**

Please note – if your child is absent from school due to illness, it is the parents’ responsibility to cancel their own child’s lunch by 8.50am on the day, otherwise you may incur a charge for the meal.

SchoolGrid provides parents with nutrition, allergy and account balance information directly and provide a range of payment options. Parents are able to see how dishes are made, which ingredients are used and nutrition and allergy content before placing an order.

If your child has food allergies you still need to apply in the usual way direct to HCL via their website at www.hertscatering.co.uk for a special menu.

HCL confirm that parents using Schoolgrid have more control and access on information in regards to their child/rens schools meals. For those parents who have to pay for their child/ren’s meals, this is an easier system to make payments and manage their accounts.

If you need any help registering for Schoolgrid please contact the school office.

Yours sincerely

A Weaver
