

# Disability Awareness

# What Is a Disability?

It can be a physical or a mental condition.

A person with a disability can be limited in terms of their movement, senses or activities.

# Famous Quotes

“Remember to look up at the stars... be curious.”

“My goal is simple. It is a complete understanding of the universe, why it is as it is and why it exists at all.”

“However difficult life may seem, there is always something you can do and succeed at. It matters that you don't just give up.”

# Kindness and Respect

There are many types of disability. Some that can be seen and some that can't. It is important to always treat everyone with the same level of respect and understanding.

We are all unique and special. We all deserve to be respected and valued.

# Kindness and Respect

It is important that everyone has equal opportunities to do activities, to achieve and to fulfil their potential.

We can ask questions and learn from each other because we are all different from each other. These differences should be respected and valued.
