

20th January 2023

Dear Parent/Carer(s)

Love your Heart Month - Year 5 children

Stevenage Sporting Futures have teamed up with the charity DiPPs - Defibrillators in Public Places, which aim to get as many defibrillators into the public domain as possible for public use.

Staff from the charity have very kindly offered to come into school to carry out some training with our Year 5 children. They will focus on teaching the children about key life saving techniques, CPR, responses to emergency situations and the use of defibrillators. All students will receive a certificate and wristband.

The training is taking place during the school day on:

-  Monday 23rd January – Java Class and Coral Class
-  Monday 30th January – Caspian Class

There is also a free online workshop for parents and older children to view – please visit:

<https://www.ukcoaching.org/courses/elearning-courses/sudden-cardiac-arrest>

I hope that this training will provide the children with life saving techniques for their future.

Yours sincerely

D Williams
