*Parents and children of all years welcome.
Siblings welcome, however places are limited
Entry via walkway doors at rear of the school.*

*Please book places via
<https://peartreespring.schoolcloud.co.uk>*

31st March 2023

Dear Parent/Carer(s)

Re: Science Evening

We are hosting a Science Evening on **Thursday 20th April 2023 from 5.00 to 7.00 pm**. The evening is open for children of all ages. There will be fun experiments and investigations for all the children to take part in. The event is free and places are available on a 'first come first served' basis.

This will be a fun and informative evening for parents to attend with their child, however children **ARE NOT** able to attend on their own.

If you are interested in attending this event, please book via <https://peartreespring.schoolcloud.co.uk>.

When booking places, please remember to put in the comments box how many adults and children will be attending. Please remember to book early, as there are only 200 places. Entry will be via the walkway doors at the rear of the school and refreshments will be available.

As the children will be making a recycled sculpture in school, we would like donations of milk bottle lids, preferably green lids (a few red/blue as well) to be sent into school by **Wednesday 26th April 2023**.

Yours sincerely

E Dean

A White

L Duffett

Mrs Dean
Science Co-ordinators.
