Dear Parent/Carer(s)

Re: YEAR 5 - CYCLE TRAINING COURSE (COMBINED LEVEL 1 SKILLS & LEVEL 2 ON-ROAD)

We have arranged a Cycle Training Course to be held at our school for any interested children in Year 5.

The course will take place on the playground and on the road during the mornings of the week commencing **Monday 24th April 2023**. If there are a large number of children wishing to take part some sessions will take place during the afternoon. Children will have at least one session on the playground and then sessions on the road. They will need to bring their bicycle into school every day for this week. The course will be run by qualified instructors from Hertfordshire County Council's Cycle Training Team.

The children will need a bicycle in good working order which will be checked over as part of the course. Please can we remind you that your child must have a cycle helmet, otherwise they will not be able to take part.

The cost of the course is £25.00 per child (this is reduced due to funding from Central Government). **If you would like your child to take part in the cycling course, please give your consent and make the payment of £25.00 online at www.schoolgateway.com, located in payments, by Tuesday 18th April 2023 at the latest. There are 32 places available on a 'first come, first served basis'.**

On successful completion of the course, each child will receive a certificate and badge for the level that they have achieved.

Yours sincerely
