Dear Parents/Carers

Re: KS1 SATS – Year 2 children

As you may be aware, our Year 2 children will be completing their SATs throughout the month of May. We will begin these the week commencing 2nd May and they will finish before the end of term.

We will be keeping these very low key with the children and they will be completed in small groups with their class teacher. Please be assured that we have done lots of work in class to revise and practise the skills the children will need.

Further information for parents is available at:

If you would like to support your child at home, please continue to read with them regularly and complete the home learning on Education City. You can also use the subjects tab to access any topics (English, Maths and Science) your child would like to practise.

Yours sincerely
