

English

Roman Myths: In this unit, we will explore the effect of figurative language before adding detail to our writing using similes and metaphors.

Alice in Wonderland: We will read this classic tale and learn about the specific features of playscripts.

Spelling: We will continue to work on our Year 4 spelling list which will include looking at words with the suffix '-ly' that end in 'y', 'le' and 'ic'.

We will also be reading a range of texts that link to our topic.

Maths

Time: We convert between analogue and digital time before converting 24-hour time.

Geometry: We will be comparing and ordering angles before looking at the special properties of different polygons.

Statistics: First we will look at a range of charts and interpret the data they present. Then, we will look specifically at line graph data before drawing our own.

Understanding Arts and Culture

Art: We will finish our Andy Warhol pop art unit by creating self-portraits.

Music: We will be learning about the language of music through playing the glockenspiel.

Year 4
Summer Term 2

Saxons

Vikings

Understanding Science and Technology

Science: Our final unit of the year is 'Living Things and their Habitats'. We will explore a variety of ways to identify, sort, group and classify living things.

DT: We will continue our light box work and ensuring that it is fit-for-purpose.

Computing: We will be learning how to use the features of Google Slides to create a presentation.

Understanding our Health and Well-Being

PE: We will be getting ready for Sports Day this term by practicing our running and other athletic skills.

PSHE: We will be learning about 'Changing Me'. We will talk about physical differences between males and females as they grow up and how we feel about changes that are out of our control.

Understanding the World

History: We will be learning about what life was like in Viking Britain. We will be exploring housing and punishment.

RE: We will be discovering the key beliefs held by Christians about Jesus. We will look at how he is presented in different bible stories.

Spanish: We will be learning how to talk about the resources in our classroom.

"Learn. Believe. Achieve."

Our School Values: Resilient, Persistent, Self-Motivated, Risk-Takers, Creative, Good Citizens, Entrepreneurial

Dear Parents/Carers,

Welcome to the final half-term of Year 4. We hope that everyone had a relaxing half-term break and that everyone is ready for our busy, sporty, times table filled half term.

Please find overleaf details about what your child will be learning in class over this half-term. Weekly homework will be set via Google Classroom. We would encourage you to please spend some time at home each week practising the spellings and times tables we are working on in class. Please also read together with your child every day as it really does make such an enormous difference to their ability to read with fluency, confidence and understanding; reading records should be in book bags daily.

*Thank you for your continued support,
Mrs Stanley, Miss Fisher and Miss McBride*
