

12th July 2023

Dear Parent/Carer(s)

Re: New Class information and School Reports – Reception to Year 5

New Classes

Children will be spending time with their new teacher on the mornings of **Thursday 13th July, Friday 14th July and Monday 17th July 2023.**

School Reports

School reports will be emailed to parents from **Monday 17th July 2023.** Included in the report will be the targets that your child has had to meet for this curriculum year. Children will bring home a paper copy (in an envelope) of their SATS results (EYFS/KS1/KS2 children). We hope that you will find the report informative of your child's progress. If you require a hard copy of your child's report please contact the school office in September 2023 to request one.

When you read your child's report please keep the following things in mind:

-  Your child is unique and precious. This report aims to give information on your child as an individual. It is not meant to be compared with the report of another child.
-  This report reflects the professional judgement of the teacher at the time of writing.
-  Please talk about the report in a positive way with your child. They will benefit most if they know that the school and parents are working together to help them succeed.

When you have read the report please add any comments in support of your child's achievements to the sheet below and return to your child's class teacher via your child's class email address, for example:
starfishclass@peartreespring.herts.sch.uk.

We do hope the report will give you a good account of your child's progress and achievement this year. We do not have a formal parents' evening this term, however, if you do need to speak to your child's class teacher then please do contact them via your child's class email address.

Yours sincerely

T Skeggs

TERESA SKEGGS

Executive Headteacher.

Headteacher: Mrs T Skeggs

Deputy Headteacher: Mrs M Newhouse
