maybe

A story about the
endless potential
in all of us

Written by Kobi Yamada • Illustrated by Gabriella Barouch

From the author of the *New York Times* best seller *What Do You Do With an Idea?*

Our story today is
called Maybe.

It is a story about
the endless
potential in all of
us.

Have you ever wondered why you are here?

You are the only you there ever
has been or ever will be.

You have so much to offer.

Maybe you will invent something
that no one has ever seen before?

that reach high into the sky?

Your life is yours.

Try as many things as you can try.
See as much as you can see.

Wherever you go, take your hopes,
pack your dreams, and never forget—
it is on journeys that discoveries are made.

Maybe you will help others
to see the beauty in each day?

Or maybe you will lift cheering
crowds onto their feet?

Do everything with love. Follow your heart and see where it leads you.

Maybe you are here to shine
a light into places that have
been dark for far too long?

A large, fluffy white dog is shown in profile, facing right. A small child with blonde hair is standing next to the dog's snout, appearing to be in conversation with it. The background is a dark blue night sky filled with stars. The overall mood is serene and contemplative.

Maybe you will speak up
for those who can't speak
for themselves?

Maybe you are here to help

You may fall down.

But you will also get back up, and you
will rise a little stronger and a little taller.

Because there really is more inside you
than you know. And this world needs
your gifts, your talents, your big ideas.

And maybe you are just getting started.

of what you can do and who you can be?

What if you have talents
you haven't discovered yet?

There is something powerful,
even magical, about you.

You already have everything
it takes to do big things.

Maybe you have no idea just how good
you really can be? And maybe you don't
know how much you matter?

But maybe, just maybe, the world has
been waiting centuries for someone
exactly like you.

One thing is for sure, you are here.
And because you are here...

...anything is possible.

*Maybe, I'll help
others see the beauty
in...*

Maybe, I'll help...

*Maybe, I'll speak up
for...*

Maybe, I'll invent...

School Reflection

This is our school,
Let peace dwell here,
Let the rooms be full of contentment.

Let love abide here,
Love of one another,
Love of mankind,
Love of life itself.

Let us remember

That as many hands build a house,

So many hearts make a school

Help us to learn, play and share together.

We hope our school will be a place of great discovery, adventure and creativity.

May it be a place where we love to learn and where we learn to love,

A place where everyone is respected, and all are deeply valued.
