

# Children In Need

School Council put their ideas forward to their class and the overwhelming vote was for a PJ day. This led to our 'dream lives for all' theme which we think embodies what Children In Need is working for.

Treat everyone like you want them to treat you.

Respect everyone around you.

Love yourself and others.

No face paint for Nile Class please as they will be swimming in the afternoon.

*What can I wear?*  
As we have picked a 'dream lives for all' theme, PJs are very welcome. If pyjamas aren't your idea of a dream for school, then anything that you feel comfortable in is welcome.
