BUS SEGREGATION IS KNOCKED OUT

WE HAVE
TO KEEP TRYING
AS LONG AS
WE ARE ALIVE

How difficult do you think it was not to get a bus for a whole year? Especially for those without a car!

Why do you think Rosa kept trying even though it seemed like nothing would change?

School Reflection

This is our school,
Let peace dwell here,

Let the rooms be full of contentment.

Let love abide here,
Love of one another,
Love of mankind,
Love of life itself.
Let us remember

That as many hands build a house,

So many hearts make a school

Help us to learn, play and share together.

We hope our school will be a place of great discovery, adventure and creativity.

May it be a place where we love to learn and where we learn to love,

A place where everyone is respected, and all are deeply valued.
