

Welcome to our 2024 Curriculum Evening

The Peartree Spring Learning Journey

You will find the following sessions in classrooms around the school. Please feel free to wander around and talk to our teachers about any questions you may have about your child's learning at Peartree Spring. Whilst children are welcome to attend, these sessions have been designed for adult engagement and you may find them more beneficial to attend without the company of your child(ren.)

Refreshments will be available in the Deli
