

27<sup>th</sup> September 2024

Dear Parent/Carer(s)

We are pleased to let you know that Peartree Spring is participating in the Partnership for Inclusion of Neurodiversity in Schools (PINS) programme, which aims to improve support for children with additional needs. The programme is funded by NHS England, in partnership with the Department of Education, Department for Health and Social Care and the National Network of Parent Carer Forums (NNPCF).

As the Parent Carer Forum for Hertfordshire, HPCI has been asked to work with families at the school to help deliver a key part of the project - understanding how families and the school can work together to improve support for children. To help with this, they have developed a short survey for **all** families at the school. The survey should take less than five minutes to complete and is open until 29th September 2024.

You can find it here: [www.surveymonkey.com/r/HertsPINS1](https://www.surveymonkey.com/r/HertsPINS1)

HPCI will be running parent carer coffee mornings, and look forward to meeting families and working with you to help create a really inclusive environment for your children.

Yours sincerely
