

28<sup>th</sup> March 2025

Dear Parents / Carers

Your child's school has been participating in the Partnership for Inclusion of Neurodiversity in Schools (PINS) project which aims to improve the school experience and outcomes for children who are neuro diverse and attending mainstream primary school.

Through participation in the project school staff have received training and support from Hertfordshire County Council's Specialist Advisory Services and Herts Parent Carer Involvement has been working with the school to help families and the school work together to improve support for children.

I am writing to ask you to please complete the second version of the PINS parent carer survey which will enable us to determine if parents / carers have seen a change following the school's participation in the project.

The survey should take less than five minutes to complete and you can find it here:  
<https://www.surveymonkey.com/r/HertsPINS2> or by scanning the QR code.

For more information about the project and HPCI visit:  
<https://hertsparentcarers.org.uk/partnership-for-inclusion-of-neurodiversity-in-schools-pins-project/> or email [contact@hertsparentcarers.org.uk](mailto:contact@hertsparentcarers.org.uk).

Yours sincerely

Lynn Turnbull  
PINS Officer, Herts Parent Carer Involvement (HPCI)
