Dear Parent/Carer(s)

### **RE: Reception 2025 Pupils Evidence Me**

We are pleased to inform you about an exciting approach in observing and assessing children's learning here at Peartree Spring Primary School.

As you are probably aware, the Early Years Foundation Stage has its own curriculum. We are looking forward to sharing your child's progress, happiness and development within the EYFS (Early Years Foundation Stage) with you via a digital learning journey.

We will be using a system called Evidence Me that will allow us to share what your child is doing in school.

With Parent Share in Evidence Me you will be able to:

- View observations (complete with photos) via the app or web suite, showing you what your child has been learning and the new skills they are developing.
- Send us your comments and feedback by simply adding them to the observations which will help our staff to support your child more effectively in the classroom.
- Upload things that your child has done outside of school that you think the teacher would like to see.

**In order for you to access Evidence Me for your child, we are asking you to give consent via Schoolgateway (located in payments section) by Tuesday 30th September 2025. If you are happy for your child to be included in group photographs as well, please indicate 'yes to group photos' in the comments box.**

What will happen next:

You will receive an email in the next few days from [noreply@evidence.me](mailto:noreply@evidence.me) asking you to confirm that you would like to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there. Participation is optional, but we recommend getting involved to enable effective communication.

Please ensure the safeguarding of your child and others by NOT sharing images on social media, such as Facebook, Twitter etc., as this would breach our data protection policy.

If you have any questions relating to Evidence Me please contact your child's teacher or the school office.

We look forward to supporting you and your child and are always striving to provide the highest standard of education possible.

Yours sincerely
