

English

Fiction: We will continue to learn how to write a recount using our fantastically magical text...

‘Leon and The Place Between’.

We will learn how to write a diary entry while consolidating our new grammar skills.

We are learning how to use fronted adverbials and expanded noun phrases to create a mood in our writing.

In Guided Reading, we will be exploring the text ‘The Train to Impossible Places’ and using this to develop our comprehension and inference skills.

Maths

Place Value: We will continue our addition and subtraction units, learning how to add and subtract 4-digit numbers with multiple regroupings or exchanges.

We will then move on to choosing the most efficient methods of problem solving. As we move closer to Christmas, we will learn about measurement and how to solve measuring problems and puzzles.

Time tables are still a HUGE priority for us in Year 4 and we will continue with daily counting and multiplication sessions in addition to our maths lessons.

Year 4

Autumn Term 2
2025-26

Settling Saxons and Scary Scots

Understanding Arts and Culture

Music: We will be learning about popular music around the world by listening to music from different artists from various backgrounds.

Understanding Science and Technology

Science: We will be looking at different states of matter to support our understanding of the water cycle and the world around us. We will conduct investigations and experiments to help us understand the different states of matter and changes that can occur.

DT: We will be taking part in a carpentry project where we will be making our very own Anglo Saxon huts.

Computing: We will be creating media and editing audio.

Understanding the World

History: We will be learning all about the Anglo Saxons and Scots and how they both settled in Britain.

RE: We will be exploring the Trinity and Christmas and why they are so important to Christians.

Spanish: We will be learning all about vegetables in this half term.

Understanding our Health and Well-Being

PE: We will be continuing with our weekly swimming lessons and taking part in our new unit based on fundamental skills such as flexibility and strength.

PSHCE: We will be learning about why it is important to celebrate difference.

"Learn. Believe. Achieve."

Our School Values: Resilient, Persistent, Self-Motivated, Risk-Takers, Creative, Good Citizens, Entrepreneurial

Dear Parents/Carers,

The second half of our Autumn term is upon us, and we are sure that it will fly by in a flurry of Remembrance celebrations, non-uniform days, winter jumper designs and the delicious Christmas dinner day.

Please find overleaf details about what your child will be learning in class over this half-term. Weekly homework will be set in either homework books or via online learning platforms. We would encourage you to please spend some time at home each week practising the spellings and times tables we are working on in class. Please also read together with your child every day as it really does make such an enormous difference to their ability to read with fluency, confidence and understanding; reading records should be in book bags daily.

Thank you for your continued support,

Mr Brown, Miss Begum and Miss Allen.
