Dear Parent/Carers

Social Media – Year 6

It has been brought to our attention that unfortunately some negative comments are being shared on social media.

Pearmtree Spring Primary School defines social media as 'any websites and applications that enable users to create and share content or to participate in social networking'. Social networking sites and tools include, but are not limited to, Facebook, Twitter, WhatsApp, Snapchat, TikTok, LinkedIn, YouTube and Instagram. It also includes forums and discussion boards such as Google Groups, online encyclopaedias such as Wikipedia, and any other websites which allow individual users or organisations to use simple publishing tools. The school also includes review sites such as Trustpilot and Google Reviews in the scope of this policy.

Parents/carers are responsible for ensuring they support the school by monitoring the use of social media of their child/children and adhere to the policy set out by the school.

A copy of our social media policy can be found on our website
