

26<sup>th</sup> February 2026

Dear Parents/Carers

**RE: Maths Week**

We are delighted to announce that author and ‘Mathemagician’, Andrew Jeffrey, will be visiting our school on **Wednesday 11<sup>th</sup> March 2026** to perform his ‘Magic of Maths’ show. Andrew is in demand internationally as one of the UK’s leading speakers in the field of primary education. His books, articles and shows have been featured in numerous education journals and on UK TV.

Andrew is also a teacher who is passionate about young people’s wellbeing, and is the founder of [Maths Week England](https://mathsweekengland.com), the world’s largest national maths festival. He has been a teacher and consultant for over twenty-five years, and is also a professional magician. Find out more from Andrew’s website at <https://andrewjeffrey.co.uk/>.

Andrew will be performing his Magic of Maths show to all the children in Reception to Year 6. He will also be bringing copies of his book, *Magic for Kids*. But this is not the kind of book you can buy in Waterstones or on Amazon! This is a professionally designed and printed full-colour book of 25 fun magic tricks, many of which use simple but clever mathematical principles to make them work. Your child will learn to perform magic, boost their self-confidence, and learn maths at the same time!

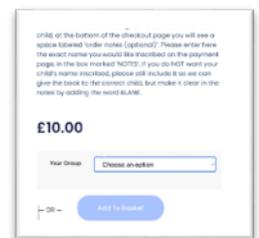

**Although the book normally costs £10, you can pre-order signed copies for only £6. Better still, Andrew is donating £1 to our school funds/school charity for each book purchased using the private link.**

**To take advantage of this offer, you just need to:**

1. Visit <https://andrewjeffrey.co.uk/teaching-resources/mfk2> or scan the QR code above.
2. Select your child’s year group at the bottom of the order page:
3. Click ‘Add to Basket’ and proceed to the basket.
4. On the basket page, you *must* use the coupon code ‘PEAR

*(This ensures both that your discount will be applied, and that the book will be delivered to the correct school.)*

5. In the ‘order notes’ section at the bottom of the checkout, PLEASE add your child’s name (so we know who to give the book to!)

N.B. The code will work until midnight on **Tuesday 10<sup>th</sup> March 2026**. All books ordered by then will be signed, brought and presented to your child on the day.

Yours sincerely

*L Fisher*

Miss L Fisher  
Maths Co-ordinator.
