

## Booster (SATS) Clubs (selected children) in Years 6

### Spring Term 2026

Teachers and Teaching Assistants have very kindly agreed to run **MORNING** booster clubs (SATS) for children in Year 6.

Participation in these sessions is by invitation only, as they are targeted interventions designed to address specific gaps in learning that a group of children share.

If your child has not been selected for a particular booster session, please be assured that their needs are being supported through interventions delivered during the school day.

These additional sessions are provided by staff in their own time before the school day begins, allowing us to offer further support for those who need it in certain areas.

**The clubs will be held throughout the weeks from the 23rd February to the 27th March 2026.**

The clubs will start at 8.00am and entry will be via the main pedestrian gate.

Please do not send your child into school before 7.55am.

Please confirm your child's place on their allocated club/s via:

<https://peartreespring.schoolcloud.co.uk>

**by Friday 13th February 2026 - the system will be open from Friday 6th February 2026.**

If you require any support when confirming your child's place, please contact the school office.

**If your child is unable to attend on a particular day, please remember to contact the school office on 01438 233900.**
