

27th March 2026

Dear Parent/Carer(s)

Re: Year 3 Swimming

As you may be aware, Year 3 children would normally take part in swimming lessons at Stevenage Swimming Centre during the summer term.

Unfortunately, we have been informed by the swimming centre that major construction works are due to begin in April 2026. During this time, there will be no vehicle access to the site. This would require our children to walk part of the journey both to and from the centre, which would result in us missing our allocated coach slot due to prior commitments with other schools.

After careful consideration, we have made the decision to postpone swimming lessons at the swimming centre until the construction work has been completed, which is expected to be in 2028.

In the meantime, we are currently exploring the option of sourcing a 'pop-up' pool. This would allow children to take part in swimming lessons on-site at school, led by fully qualified instructors. We believe this will be a positive alternative, providing greater flexibility in scheduling and enabling more year groups to benefit from swimming lessons.

Thank you for your understanding and continued support.

Yours sincerely

T Skeggs
