Dear Parent/Carer(s)

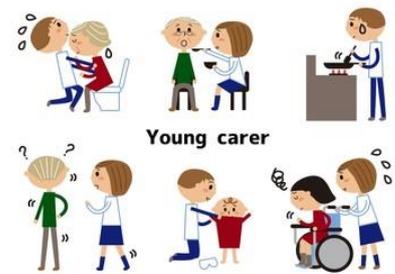

RE: Young Carer flyer from Hertfordshire County Council

With regards to the flyer attached to this email, we would like to inform you that the recent changes in how the Young Carers service will continue to deliver their support will not impact on any of the support we deliver in school to our Young Carers.

We will continue to work closely with the Young Carers service to ensure we provide an opportunity for our Young Carers to meet others with similar experiences therefore feeling less isolated and empowered.

We appreciate this is a very sensitive issue which can bring up lots of emotions and feelings as well as lots of misconceptions around what a Young Carer is and who qualifies. We have helped families register their child/children as Young Carers but know there may be others we are not aware of.

So we can include your child/children in any future events or activities, please can you inform me if your child is registered as a Young Carer or you feel they would benefit from being part of this community if they are not currently doing so.

Please contact me via email: d.hansen@peartreespring.herts.sch.uk

Yours sincerely
