Dear Parent/Carers

Re: Reminder re communication

We would like to take this opportunity to thank you for your continued support and partnership as we work together to ensure the best possible experience for all children in our EYFS setting.

As part of supporting positive relationships and wellbeing for our children, we would like to remind families of the importance of addressing any concerns directly with the class teacher. We have become aware that, at times, worries or frustrations about incidents between children may be discussed informally between parents. While we understand that concerns can naturally arise, conversations of this nature can sometimes lead to misunderstandings.

We kindly ask that if you have any concerns regarding interactions between children, you speak to the class teacher directly. This allows us to look into the situation promptly, gain a full understanding of what has occurred, and ensure that it is managed sensitively and appropriately in line with our school values and policies.

Please be assured that we take all concerns seriously and are committed to supporting every child's wellbeing, safety, and positive relationships. Open and direct communication helps us to work together effectively and ensures that issues can be resolved quickly and fairly.

Thank you for your understanding and continued cooperation. If you wish to discuss anything further, please do not hesitate to contact your child's class teacher.

Yours sincerely

L Aulsberry
