Dear Parents/Carers

Re: KS1 SATS – Year 2 children

As you may be aware, our Year 2 children will be completing their SATs throughout the month of June.

We will be keeping these very low key with the children and they will be completed in small groups with their class teacher. Please be assured that we have done lots of work in class to revise and practise the skills the children will need.

Further information for parents is available at:

If you would like to support your child at home, please continue to read with them regularly and encourage them to complete their home learning activities. You can also help by practising key Maths skills, spelling and reading comprehension little and often to help build their confidence. Applications such as NumBots and 1-Minute Maths can also help to support and develop key mathematical skills.

Yours sincerely
