29th June 2026

Dear Parents/Carers

We would like to inform you that Peartree Spring Primary School children will be taking part in Scooterability sessions. Please see dates below:

 Wednesday 8th July 2026	Rainbowfish Class
 Friday 10th July 2026	Jellyfish Class
 Tuesday 14th July 2026	Starfish Class

These sessions will be during the school time and will be run by the Hertfordshire County Council Active and Safer Travel Team.

Each session will run for approximately **45 - 50 minutes** on the school playground. The children will be learning about controlling their scooters safely, basic pedestrian skills and sharing space with others.

To participate in these sessions each child will need a scooter which must be of the standard two or three wheeled type with a rear wheel brake. V-Flex motion scooters are not permitted.

If you are willing to lend your child's scooter to another child, please give consent in advance of the session taking place via Schoolgateway, located in payments.

Hertfordshire County Council **strongly supports** the wearing of helmets during these sessions.

Thank you for your support.
