Dear Parent/Carer of Year 6 children

We are writing to let you know that there has been a delay in the publication of this year's Key Stage 2 SATs results nationally.

As a result, schools have not yet received pupils' final SATs outcomes. We understand that many families are keen to receive these results, particularly as children prepare for their transition to secondary school, and we share your frustration regarding this delay.

We have been advised that the results will be released shortly, and we will provide them to you as soon as they become available. We are monitoring the situation closely and will keep you updated if we receive any further information from the Standards and Testing Agency.

Thank you for your patience and understanding. In the meantime, we would like to congratulate all of our Year 6 pupils on the hard work, resilience and determination they demonstrated throughout the assessment period. We are incredibly proud of everything they have achieved.

Yours sincerely

T Skeggs
